EVERY WEDNESDAY - PARMA MANIA FOR PARMA LOVERS!

Each Parma is made with fresh Aussie Grown free-range chicken breast cut to 300g, crumbed to our specification to the perfect thickness ready to cook.

When ordered each Parma is grilled on the hot plate (and NEVER deep fried) to achieve the perfect crispness. Once cooked its layered with a sheet of Shaved Virginia Ham and covered with our restaurant quality Italian Napoli Sauce which is slow cooked for over 8 hrs, based on my mother's recipe. Each Parma is then topped with Australian Mozzarella & grilled for the best flavour & finish - GLORIOUS!

All Parma's are severed on a bed of chips, and best enjoyed with a cleansing Beer.

CHUTNEYS extra \$5 each

Our Chutneys are sourced from the most wonderful locals who both have a passion for home grown foods.

Jose' & wife Joy started Joys of Red Hill in 1977 as one of the original stall-holders at The Red Hill market. Today they continue to prepare the finest chutneys & jams with such love & care from their kitchen table - you can't get any better.

We also source from The Red Hill Kitchen, toward the end of an inconspicuous unsealed road in Red Hill, there's a kitchen in a quaint weatherboard house surrounded by a prolific vegetable.
